

# A microfluidic-based electrochemical biochip for label-free diffusion-restricted DNA hybridization analysis.

Title	A microfluidic-based electrochemical biochip for label-free diffusion
Publication Type	Journal Article
Year of Publication	2012
Authors	Ben-Yoav, H, Dykstra, PH, Bentley, WE, Ghodssi, R
Journal	Biosens Bioelectron
Volume	38
Issue	1
Pagination	114-20
Date Published	2012 Oct-Dec
ISSN	1873-4235
Keywords	Biosensing Techniques, Diffusion, DNA, Single-Stranded, Electroche
Abstract	DNA hybridization detection in microfluidic devices can reduce sam
DOI	10.1016/j.bios.2012.05.009
Alternate Journal	Biosens Bioelectron
PubMed ID	22651970
