

Crystal structure, conformational fixation and entry-related interactions of mature ligand-free HIV-1 Env.

Title	Crystal structure, conformational fixation and entry-related interact
Publication Type	Journal Article
Year of Publication	2015
Authors	Kwon, YDo, Pancera, M, Acharya, P, Georgiev, IS, Crooks, ET, Gorm
Journal	Nat Struct Mol Biol
Volume	22
Issue	7
Pagination	522-31
Date Published	2015 Jul
ISSN	1545-9985
Abstract	As the sole viral antigen on the HIV-1-virion surface, trimeric Env is
