

Bacteria Floc, but Do They Flock? Insights from Population Interaction Models of Quorum Sensing.

Title	Bacteria Floc, but Do They Flock? Insights from Population Interactio
Publication Type	Journal Article
Year of Publication	2019
Authors	Ueda, H, Stephens, K, Trivisa, K, Bentley, WE
Journal	MBio
Volume	10
Issue	3
Date Published	2019 May 28
ISSN	2150-7511
Abstract	Quorum sensing (QS) enables coordinated, population-wide behavior
DOI	10.1128/mBio.00972-19
Alternate Journal	MBio
PubMed ID	31138754
PubMed Central ID	PMC6538791
Grant List	R21 EB024102 / EB / NIBIB NIH HHS / United States
